Team Namibia at the SASAPD Toyota National Championship 24 -26 April 2021

Nampower Foundation rallies behind the Para athletes with N$122,290.00 for all travelling expenses for the team as they set their eyes on the SASAPD Toyota National Championship that will be the last competition Namibia has opportunity to qualification ahead of Tokyo games.

The Para Athletics won 12 Gold, Five silver and three Bronze. SASAPD Toyota Nationals have continued to inspire our athletes to push forward besides the last year's covid-19 pandemic that has affected the sporting industry. The platform has united the athletes emotionally as they have shown it upon their finish line.

International athletes from neighboring Botswana, Lesotho competed at this event.
